

Grenada, St. Thomas, Costa Rica

It is not too early to book February-March seminars, as plane tickets get progressively more expensive and harder to find. **In addition, as we go to print, we only have 7 rooms left in the Sandals Grenada. Once these are taken or given back on October 8th, we will get no more!** All of these weeks are the Aggressive Business, Tax & Practice Management Seminar.

St. Thomas, VI February 1-5, 2016

Paradise speaks to each of us. In St. Thomas, paradise speaks with an American accent. One of the fabled U.S. Virgin Islands, St. Thomas is an ideal destination, whether you want to build castles in the sand, jet through aquamarine waters or marvel at the colors of a sunset from the deck of a sailboat. The island is a mere 13 miles long and three miles wide. With no more than a 30-minute drive separating its farthest points, all the intimate pleasures of island life are within easy reach. Frenchman's offers 10 different dining options, lounges, a beautiful spa, tennis, and easy access to town.

Marriott's Frenchman's Reef, located across from the picturesque harbor from the capital city of Charlotte Amalie, is set on a high promontory with beautiful views of the ocean and the Caribbean's most majestic yacht harbor. The lovely white sand Morningstar Beach is set on the warm side of the island where waters and wind are temperate. Great restaurants, the ferry to St. John's and extensive duty free shopping make St. Thomas a perennial favorite.

Our great room rate is \$299 island view; \$360 reef water view; single or double occupancy (plus a \$45 Resort fee, state and local taxes, housekeeping gratuity and an additional 5% portorage). This rate includes a continental breakfast for two, bottled water in the room, unlimited local calls, complimentary 800 calls, complimentary beach chairs and umbrellas, and much more. See our website at www.collieradvisors.com for additional information.

Costa Rica March 27 – April 2, 2016

Costa Rica – land of magnificent scenery, abundant animal life and friendly people – an amazing place for any age. Doctors have always adored this destination. We are presenting this seminar with Academic Travel Abroad, the same group who conducted our Cuba seminar so competently. This week should hit many spring breaks. The seminar itself runs mornings from Monday, March 28th through Thursday, March 31st. The first 4 nights will be at the lovely beachfront **Marriott Los Suenos**. This is a beautiful property with a famous eco-friendly golf course next to a jungle, a fine spa, gorgeous beach, marina, etc. Included in the package price are all breakfasts, welcome and farewell dinners, three half day tours of choice – Carara National Park, a zipline canopy tour, horseback riding and waterfalls, etc. You can also elect additional tours any afternoon.

[PLEASE TURN OVER FOR MORE INFORMATION]

The last two days are at the Arenal Volcano Park, where we will have a guided tour of the volcano and park. Also offered is a two night extension to the scenic **Monte Verde National Park** (famous for animal life and the Quetzels).
