CARIBBEAN DELIGHT!

We are presenting two great Caribbean seminars during the high season, when escaping to sunny beaches will be everyone's goal. Join us at one of these terrific destinations!

ST. THOMAS, VI – FRENCHMAN'S REEF **AGGRESSIVE BUSINESS, TAX & PRACTICE MANAGEMENT SEMINAR** **January 30-February 3, 2017**

For the 46th year we will be returning to this perennial favorite. Visitors can enjoy magnificent **Magens Bay**, outstanding duty free shopping in the shops of **Charlotte Amalie** and exquisite dining throughout the island. Charlotte Amalie, capital of the U.S. Virgin Islands, is a natural deepwater port with one of the most scenic harbors in the world. The city and its island home are rich in history and culture, filled with forts, dungeons, colonial plantations and art galleries. Only a ferry boat ride away is lovely **St. John's**, where 2/3 of the island is parkland. It is known for its phenomenal snorkeling and Trunk Bay underwater trail. Charming **Cruz Bay** is full of eclectic shops and delicious restaurants. We always spend at least one afternoon on St. John's and enjoy its low key style and top beaches. Also sail to **Virgin Gorda**, **Tortola** and other nearby islands.

Marriott's Frenchman's Reef, located across from the picturesque harbor from the capital city of Charlotte Amalie, is set on a high promontory with beautiful views of the ocean and the Caribbean's most majestic yacht harbor. The lovely white sand Morningstar Beach is accessed by an elevator or short walk. Frenchman's is set on the warm side of the island where waters and wind are temperate. The Resort is known for Caribbean hospitality and its beautiful beach.

Restaurants & Lounges: Guest enjoy 10 restaurants and lounges with menus from Caribbean to International.

DOMINICAN REPUBLIC – CASA DE CAMPO – February 6-10, 2017 **AGGRESSIVE BUSINESS, TAX & PRACTICE MANAGEMENT SEMINAR**

After four tremendously successful meetings at Casa de Campo during the past years, we are excited to be holding our 5th meeting at this exquisite resort. At each meeting, room blocks sold out, and doctors were almost unanimous in praising Casa de Campo.

Casa de Campo has been featured several times on Lifestyles of the Rich and Famous, Runaway with the Rich and Famous, and in numerous magazines including Town and Country, Vogue and Elle. Exquisite homes line the golf courses and magnificent international yachts cruise into the marina. Much of the hotel was designed by Oscar de La Renta, who owns a home on the property.

Casa de Campo is considered by many travelers to be the Caribbean's most complete resort. Set on the Dominican Republic's sun-splashed southeastern coast, it offers lavish accommodations featuring 300 spacious casita rooms and 150 luxurious villa homes. It has been totally rebuilt after hurricane George. After another 24 million dollar renovation, the rooms have been redecorated to the highest standards. Go online at www.casadecampo.com.do to see a complete view of rooms and activities.

Golf & Tennis: Guests have privileges at one of Casa de Campo (27 holes) three legendary golf courses,. Designed by the legendary, and World Golf Hall of Fame member, Pete Dye; Teeth of the Dog, Dye Fore and The Links have been meticulously carved from the coral shores, craggy mountains, and rolling hills of the Dominican Republic landscape, and offer a one-of-a-kind golf experience. Only at Casa de Campo can one play a different course each day at the same resort, with three completely different experiences. Also enjoy Villas' La Terraza Tennis Center's 13 immaculate fast-dry Har-Tru tennis courts.

Altos De Chavon: Altos de Chavon is an architectural wonder - a 16th century replica of a Mediterranean village perched high above the Chavon River. Quaint shops, boutiques, art galleries, fine restaurants and an archeological museum are just a sampling of the world that awaits atop the picturesque cliffs of Casa de Campo as you stroll the cobblestone streets of the village. The Altos de Chavon School of Design is affiliated with Parson's School of Design in New York.

Beaches: At the heart of Casa de Campo is Minitas Beach, a private sanctuary that's perfect for soaking up the sun or enjoying sports like snorkeling, kayaking, paddle boating, and so much more.

Equestrian Center: Casa de Campo Resort and Villas' extensive equestrian center is among the best in the Caribbean. For beginners, there is expert staff on hand for lessons. Private guides are available for individual or group trail rides on two of the cattle ranches. Enjoy a leisurely ride through herds of water buffalo, lakes, and sugar cane fields.

Marina: Inspired by the quaint seaside villages that dot the Mediterranean coastline, the Marina is more than just a place to moor, it's an entire community for sport fishermen, yachting enthusiasts, and landlubbers alike. Browse the shops and dine under the stars overlooking luxury yachts.

Restaurants: A huge array of dining possibilities and lounges.
