

Telluride, CO – The Mountain Lodge - February 22-25, 2015 (Limited Rooms left)

We are absolutely delighted to be presenting our third ski seminar in Telluride, Colorado. We had great enthusiasm for our two prior trips there. Everyone was impressed with the outstanding skiing at all levels, and the magnificence of the setting. Telluride offers a true escape from the hustle and bustle of other crowded ski destinations. Telluride also offers snow-boarding, cross country and helicopter skiing, snowshoe tours, guided mountain tours, hot-air ballooning, ice skating, sleigh rides as well as exploring the historic streets.

We loved the **Mountain Lodge**. It is constructed like a large log cabin, and is beautifully decorated in western motif. The lobby, with its huge fireplace, is a great place to unwind and have a hot chocolate. Our breakfast will be served at the Lodge, and after the seminar you can hop right out on the mountain. The Lodge offers easy ski in-ski out, with a warm hut for bundling up.

Victorian homes in vivid colors line the streets of this designated National Historic District of Telluride. By day its slope-side location makes it the ideal mountain town where everything is within walking distance. By evening, charming restaurants, galleries and night spots make for great gathering places.

Mountain Lodge Room Rates: Lodge Room - \$199/night; Junior Suite - \$249/night; One Bedroom Suite - \$259/night; Two Bedroom Suite - \$349/night; Two bedroom Condo - \$359/night; Two-bedroom Deluxe - \$449/night; Three-bedroom Suite - \$449/night; Four Bedroom Cabin - \$909/night. **Room rate includes a full Mountain Lodge Breakfast for two. The Two Bedroom units include breakfast for four. They are also subject to taxes and service fees.**

Cuba – March 8-12, 2015 - One Day Tax Update Seminar

We have room for 10 more guests! After the historic announcement last week, a professional seminar will be even better. Experience Cuba before the crowds and hoopla alter Cuba's unique and charming identity.

Collier & Associates is organizing a delegation to visit Cuba for the purpose of researching "The Role of Oral Health Within the Community Based Health Care System in Cuba," and invite you to join in this unique opportunity. As required by the Office of Foreign Assets Control of the US Treasury, the professional research license requires a full time schedule of professional meetings. As such we estimate 16 hours of total continuing education hours. These meetings will be documented, as required by the license. For U.S. citizens, expenses associated with this program may be tax deductible as an ordinary and necessary business expense, dependent on each individuals tax deduction criteria. We are very pleased with the tremendous response we have received for this trip. We have personally visited Cuba, stayed at the upscale hotel and dined at many of these same restaurants. We met one of our clients in the airport and he strongly encouraged us to organize a seminar in Cuba.

Our delegation will convene in Miami, Florida on March 8, 2015 at which time we will depart for Cuba. You can return to the United States on March 12, 2015 or elect a relaxing post program for an additional three nights at a lovely resort on Cuba's famous beaches. Delegates will participate in professional meetings and site visits each day; the final meetings and topics for discussion will be determined by the interests and composition of the team. **For those interested in sharing your experience in Cuba, a parallel program of "People to People" activities will be developed for guests in conjunction with the National Trust. It will highlight the arts, architecture, music, dance, cuisine, etc.**

The estimated cost per delegation member is \$3,995 U.S.D. This cost includes roundtrip international air arrangements between Miami and Havana; Cuban Visa and mandatory health insurance, group transportation, meetings, accommodations in double-occupancy rooms, most meals, and essentially all other costs associated with participation. Brandon Collier will conduct a 4 hour tax update course that is required for all attendees. The cost is \$495 for single travelers or couples. **Please RSVP to Professionals Abroad at 1-877-298-9677.**

Nashville, TN

Young Doctor Seminar – April 30-May 2, 2015

Practice Transition Seminar – May 2-3, 2015

To say that Nashville is a city on the rise would be an understatement. Named as one of the “5 Must See Cities to Visit in 2013” by Conde’ Nast and having the “Best Music Scene” noted by Rolling Stone, Nashville extends beyond the extraordinary. Renowned for its music, but loaded with other attractions, Nashville ensures a great long weekend.

Printer’s Alley is the center of the city’s nightlife, and was known as the Men’s Quarter in the late nineteenth century. Nightclubs opened here in the 1940s, and the alley became a showcase for the talents of performers such as Chet Atkins, Waylon Jennings, Hank Williams and Dottie West. This historic district’s architecture includes late Victorian styles, Nashville’s first automobile parking garage, and the city’s first “skyscraper.” Although the Printers have long since gone, The World Famous Printer’s Alley still remains, providing a Flair of Bourbon Street. There is lots of exciting and diverse restaurants right around the hotel! Other Nashville Attractions:

- Country Music Hall of Fame & Museum
- Music City Center
- Ryman Auditorium
- Johnny Cash Museum
- Nashville Schermerhorn Symphony Center
- Adventure Science Museum

This new downtown Hyatt Place Nashville is the top destination for guests hoping to explore the Music City Center. Just steps away from top downtown Nashville attractions such as Broadway, The District, LP Field and much more, the hotel is perfect for music lovers, sports enthusiasts, foodies – just about anyone! Within walking distance to Nashville’s famous Honky Tonk Row. The concierge can help you find things to do in Downtown Nashville and get tickets.

Group Rates of \$209 double occupancy. Rate includes a breakfast buffet. Rooms will be held until March 31, 2015.
