

## SPECTACULAR SPRING!

Both of these are fun for couples and families – we already know of a number of families bringing children, and they always have a terrific vacation. Below are two great areas for our Aggressive Business, Tax & Practice Management Seminars.

### DEER VALLEY, UTAH LODGES AT DEER VALLEY March 5-8, 2017

As rated by the readers of SKI Magazine, Deer Valley is consistently ranked #1 in guest service among ski resorts in North America. It delivers an unmatched experience for winter vacation. From the welcoming lobby's three story stone fireplace to the warmth of the beautifully appointed condominium-style residences, Lodges at Deer Valley is a classic statement in rustic elegance and warm hospitality. This tranquil mountain setting is conveniently located less than half a mile from the base of Deer Valley Resort. Guests enjoy The Greatest Snow On Earth with an annual average of 300 inches blanketing Deer Valley's ski mounts – Little Baldy Peak, Bald Eagle, Bald, Flagstaff, Empire and Lady Morgan – offering a thrilling day for skiers of all abilities. Skiers can challenge themselves on the very runs skied by Olympians during the 2002 Salt Lake Olympic Winter Games. Moreover, Park City and The Canyons offer an additional huge array of skiing, and are only a ten minute drive down the road.

The condominiums feature full kitchens, cozy dining areas and gas fireplaces. Enjoy Deer Valley's restaurant, The Brass Tag, with complimentary hot breakfast, onsite ski rental shop, lift ticket desk, general store and coffee bar and door to lift shuttle service. Relax and unwind in the outdoor heated pool and hot tub.

### KOHALA COAST, HI – MAUNA LANI BAY HOTEL March 26-30, 2017

In 2014 all of Mauna Lani's accommodations were refreshed. 90% of the guestrooms offer ocean views and all rooms have private lanais. Located on a sandy beach, guests can experience the culture of old Hawaii while enjoying the high-tech amenities.

Hawaii's largest and youngest island is aptly nicknamed "Big Island." North America's most diverse, massive islet hosts some of Earth's top wonders, and 10 different climate zones. It is home to the world's largest mountain – Mauna Loa – and tallest sea mountain – Mauna Kea, which towers at 33,000 feet. Pele, Hawaiian legend's powerful and passionate volcano goddess, is said to be responsible for the fiery eruptions of Kilauea's steady lava flow.

The large island is loaded with great activities. Boat ride to red-hot lava's edge by night, funnel down a mountain in an adrenaline-pumping bike excursion, zipline through a tree canopy, hike up cliffs to a rainbow framing a secluded jungle waterfall, snorkel with manta rays through sea caves, canyons and colorful reefs, superb diving sights,

It features two areas large enough for couples, one with a Vichy shower, two natural lava saunas, a meditation pavilion and a fragrance garden.
