

PORSCHÉ SPORT DRIVING SCHOOL

We are very pleased to offer two separate driving courses to be held in September, 2016. The first course (The Performance Course) will be September 14-15, 2016. The second course (The Masters Course) will be September 17-18, 2016. Both courses will be held at the Porsche Sport Driving School-USA at Barber Motorsports Park in Birmingham, AL. **Those who have taken the Performance Course through Collier & Associates in 2014 or at any other time with PSDS qualify to sign up for the Masters Course through PSDS.**

This exciting event puts participants in a variety of current Porsche vehicles under the skillful guidance of the country's most accomplished race drivers. At PSDS participants receive classroom and on-track instruction in the art and science of high-performance driving and thrills that will last a lifetime. The facilities are ideal for learning the finer points of the art of high-performance driving and features a 2.38-mile road course with a variety of high-and low-speed corners sculpted into the gently rolling terrain. The professionally designed, world-class road course has made a name for itself as being not only extremely competitive but spectator friendly as well.

The Performance Course*: This two-day program begins with a brief classroom session discussing vehicle dynamics and the driving line. Participants are then transferred to the track and begin a series of rotations through the Skid Pad, Performance Driving Techniques, Autocross and Track Sessions. The first afternoon is spent mastering the proper driving line and the many technical corners of the track, while continuing to sharpen basic skills at the Autocross, Skid Pad and Lane Change. Then it's off to dinner with the instructors at the Renaissance Ross Bridge Golf Resort & Spa. The morning of day two is dedicated to Heel/Toe Downshifting, competing in the Autocross Challenge, Cornering Drill and Track Sessions. In the afternoon, participants will experience the Porsche Cayenne SUV on the off-road course, the Skid Pad Team Competition, 911 Turbo S Launch Control and will continue to refine skills with more Track Sessions. The program wraps up with thrilling Hot Lap rides with the instructors.

The Masters Course*: This advanced course is offered to former graduates of the PSDS Two-Day Performance Course at Barber Motorsports Park. The Masters course is designed to take previous participants, who have gained basic skills and knowledge, to the next level of performance. We begin by polishing car control skills through practice on the Skid Pad, Basic Training Course and Autocross where you will receive in-depth instruction on cornering technique and sessions orienting drivers to the track. A dinner with the instructors at the Ross Bridge Golf Resort & Spa caps off the day. Since honing driving skills is all about track time, the key objective of day two is to maximize track time during the open track sessions. The full day is spent in lapping sessions with a short break for each group to rise to the Autocross Challenge. **Performance Course completion required.** By taking this course it qualifies participants to take PSDS courses at any of the other international Porsche Sport Driving School locations.

*Specific vehicle models used in both courses are subject to change.

Guest rooms will be reserved at the Renaissance Ross Bridge Resort, a luxury hotel surrounded by the landscape of a Robert Trent Jones championship golf course and a **world class Spa** ranked in Conde Nast's top 20 in the U.S. Group rate of \$219 per night. This includes round-trip transportation to/from the airport and to the track daily for one person. Additional person per room runs approximately \$40 for all the transportation.

[PLEASE TURN OVER FOR MORE INFORMATION]

On Friday September 16, 2016, we will be presenting an all day lecture on the following topics:

- Tax Saving Strategies in an Era of Rising Rates
- Boosting Practice Profitability
- Saving for Retirement and a Child's Education
- Investing in Stocks, Bonds and other Assets

The price for the seminar, which is required by each person taking the Porsche Sport Driving School, will be \$795 per person. If a spouse only takes the seminar and not the school, he/she will be an additional \$150.

We have to limit each course to the first 25 people who respond. Therefore, before going to contract, we have to determine the number of drivers for each course. **Last year we sold out in the first two weeks and had a waiting list. Therefore, if you are interested we advise you to sign-up immediately by filling out the form below along with a 50% deposit to hold your place.** In order to secure your spot we will need this deposit by October 1, 2015 and will be reserved in the order they are received.
